The Meridian Sun Junior Academy uses the Operation 36® framework to structure the program. It consists of Coaching, Playing, and Training programs and is designed to teach golfers to play the game from a hole out perspective. Each golfer will be issued a profile in the Operation 36® Mobile App to track progress through a 6 level curriculum. **Our program does vary from the mobile app and allows players to progress through the curriculum at a faster rate.**

1. **Academy Classes** - Juniors will learn the game in a weekly group class where our coaches will progress students through a version of the Operation 36® curriculum.
2. **Events** - 9 hole Operation 36® events challenge golfers to shoot the score of 36 or better from different yardage divisions on the course.
3. **Practices** - Golfers can accelerate skill development by training alongside a coach who sets up a structured and efficient practice session.
